For records for which you assert confidential treatment, I request that the FOIA office provide me with an estimate regarding the number of pages and date range of the pages at issue. This information will help me assess whether I would like the FOIA office to proceed with confidential treatment processing.

If my request is denied in whole or part, I ask that you justify any denial or withholding by reference to specific FOIA exemptions. If you invoke certain exemptions, those exemptions should be narrowly construed. I also respectfully remind you that the FOIA obligated federal agencies to provide all “reasonably segregable” portions of all documents responsive to my request pursuant to 5 U.S.C. 552(b) et. seq.

If you intend to acknowledge receipt of this request or give us a tracking number for this FOIA, please do so via the same means used to communicate this request to you.

Any paper mail should be sent to my Washington, DC address, included below. I strongly prefer that a digital communication is sent instead of, or concurrently with, any paper mail.

As a representative of the news media, there should be no fees related to this request. In the event there are copying fees, please inform me of the total charges in advance of fulfilling my request. I would prefer

the request filled electronically--by e-mail attachment, or if the response is too large, direct download link or mailed CD-ROM.

As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me by telephone during normal business hours or by e-mail, rather than by mail, if you have questions regarding this request. As FOIA requires, I look forward to your reply in 20 business days. Thank you.

Sincerely,

Alice Tracey
